Get ready to test your mastery of obscure knowledge!

Zoom, etc

(Purpose of event)

We're shaking up our normal virtual meeting calls with a dose of fun and pop culture trivia with comedian Ryan Budds! For one hour, join us for a fast-paced, family-friendly virtual game that promises to be fun and rewarding (maybe mention prizes).

THINGS TO KNOW

-Use 2 devices—the game works best if you watch Zoom call with our host on a computer and use your smart phone to buzz in with your answers. There's no app to download or install, you'll just go to a website and type in a code. You can play on any device with a browser, but a smartphone is most recommended for ease of use.

-5 rounds (or any number) of gameplay—with 10 questions per round on a variety of topics. You'll have 20 seconds to buzz in on each question, and the quicker you buzz in the more points you'll win!

-Multiple choice format (or otherwise)—you'll be battling against your colleagues in multiple choice format trivia so you can always guess if you don't know an answer, maybe you'll be right!
